### DETAILED ACTION

The following is an examiner's statement of reasons for allowance:

Due to the telephonic interview of February 1, 2006 the rejections of claims 67-78 under 35 USC 112 have been withdrawn because of clarifications by Applicant. The closest prior art available to the instant application are the games of TetrisAttack, Uproar, and Tile Fall. These games depend on the falling and reconfiguring of game tiles. Neither TetrisAttack, Uproar, or Tile Fall, however, disclose associating random game rules with the shifting of game icons. Further, neither of the above mentioned games include a step of revealing the chosen random game ruler to be displayed to the player.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
